## HIGHLIGHTS

1

### Aroma or flowers

Holds reed diffuser sticks or flowers – dry or fresh – in the built-in container.

2

### Invisible Pat Switch

No buttons: a light tap on the lamp switches the light modes.

3

### Cordless & rechargeable

2000 mAh battery, USB Type-C charging – place it anywhere.

4

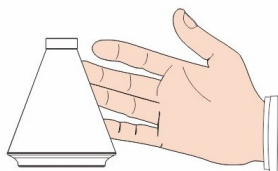

### Make it personal

The smooth surface can be decorated with your own drawing or message – a unique gift.
